

MULTISERVICE VACUUM CLEANER

AS01

The **AS01** is the first multiservice vacuum cleaner designed and manufactured by **CK SQUARE** to meet customer demand. The **AS01** is equipped with a coin acceptor for coins and tokens. We also integrate an MDB loyalty card reader as well as contactless bank card payment thanks to our 3 available methods.

Would you like to offer or sell vacuum tickets from your main CKSQUARE-compatible terminals? Our QR code reader option allows them to be scanned and to start the vacuum cleaner.
